Rehab Enterprises a Winner

REHAB ENTERPRISES PROVED ITSELF a winner in October when it triumphed at the National Quality and Excellence Awards hosted by Excellence Ireland Quality Association (EIQA). The company beat off stiff competition from six other nominees to claim the EFQM Committed to Excellence Award for the Private Sector.

The award was presented to Director of Enterprises, Michael Horgan, Rehab Recycle

General Manager, Bob Rowat, Michael Maguire from Rehab Recycle Galway and Kathy Kilgannon from Rehab Recycle Navan, in a glittering ceremony at the Burlington Hotel, Dublin. To reach the final stage, the company had to come through a rigorous assessment which examined the organisation’s commitment to quality in every aspect of its processes and service delivery.

Michael Horgan says, “This award is a wonderful tribute to all the hard work put in by our dedicated staff across a range of excellence projects over the last 12 months. Of course our work doesn’t stop here and this will only serve to spur us on to further heights in our efforts to deliver continued excellence across all of our activities.”

Rehab Lotteries was also a nominee on the night, for the Recognised for Excellence Award. Reflecting the emphasis the organisation places on teams and team players, this year Rehab Group sponsored two new awards: Rehab National Team of the Year Award and Rehab Team Player of the Year Award. ■
