

All Washed Up for Rehab

Pictured: Miss Ireland, Bláthnaid McKenna, who launched Car Wash Day last year.

Rehab, with the support of Top Oil, is looking for volunteers to help out on the second annual Car Wash Day, which will take place around Ireland on Saturday, 5 July.

VOLUNTEERS ARE NEEDED TO WASH CARS and clean windscreens in Top Oil depots and retail outlets nationwide to raise money for Rehab. Drivers will be asked to pay €8 for a car wash and €2 for a windscreen wash and air freshener. Last year, the event raised a whopping €15,000 and this year the aim is to beat that and raise €20,000.

Buckets, sponges and squeegees will be provided so all you need to bring along is your enthusiasm! ■
