Your Success

Rehab Enterprises

Investing in People, Changing Perspectives

Rehab Enterprises Ltd manufactures, markets and distributes a diverse range of products and services to the healthcare, medical, safety, industrial and marketing sectors.

Our customers have included such well-known brands as DuPont; Dell; Becton, Dickinson and Co.; Vitalograph; Braun; Rettig, and organisations such as the Health Service Executive and An Post.

PERSONAL PROTECTION EQUIPMENT

Rehab Enterprises has a wide range of products to help protect staff in the workplace.

For over 30 years, Rehab Enterprises has been Ireland's only licensed supplier of converted Tyvek garments, manufactured by DuPont.

From our facility in Navan, we manufacture and distribute the full range of DuPont Personal Protection apparel, all of which is designed to meet stringent safety standards, including::

- **Tyvek for dry particulate hazards**
- **Tychem for liquid and gas chemical hazards**
- **Nomex for thermal hazards**
- **Kevlar for cut and abrasion protection**

EVACUATION CHAIRS

Evacuation chairs save lives. In an emergency, with the help of an evacuation chair, just one person can transport a physically-dependant or mobility-impaired person down stairs to safety.

Rehab Enterprises is the Irish distributor of 'Escape Chair' by the Escape Mobility Company.

'Escape Chair' is a safe, simple and highly-effective way of ensuring that the most vulnerable employees and visitors can reach safety in the case of an emergency.

ESCAPE CHAIR
MOBILITY COMPANY

MEDICAL SUPPLIES

Rehab Enterprises offers a diverse range of high-quality appliances and products to the healthcare and medical sectors.

THERATOGS

Rehab Enterprises is Ireland's only official supplier of Theratogs, a revolutionary orthotic undergarment and strapping system.

Theratogs provide a foam-lined, breathable, Latex-free external skin for clinicians engaged in sensorimotor training of people with developmental disabilities and those in rehabilitation following a brain injury, stroke, orthopaedic surgery or neurosurgery.

BEDDING

From its facility in Navan, Rehab Enterprises offers a high-quality manufacturing and distribution service to the healthcare and medical sectors. The facility manufactures a range of pillows and duvets for hospitals, clinics, respite centres and nursing homes. Other top sellers in our range of products include mattresses, pressure-relieving cushions, towels, shower curtains and beds.

WHEELCHAIRS

Rehab Enterprises is the exclusive supplier of 'Remploy Healthcare' wheelchair in Ireland. At the forefront of wheelchair innovation, Remploy's wide range of reliable, high-quality products have been designed to meet the specific needs of both prescriber and customer; from the active user through to highly-specialised clinical need.

SUPPLY CHAIN MANAGEMENT

Rehab Enterprises provides cost-effective and robust outsourcing solutions to meet the ever-changing requirements of its customers including warehousing, electronic assembly, packaging, sub-assembly, Tampo and silk screen printing and other added-value activities and services.

The company is supported by a team of dedicated and fully-trained staff, committed to maintaining cost-effectiveness and quality standards in everything they do. The services provided are tailor-made for our customers giving us a competitive edge over off-the-shelf solutions.

- **Tampo and silk screen printing**
- **Surface-mount and conventional electronic assembly**
- **Storage and sorting**
- **Added-value, sub-assembly and packaging services**

TALK TO US IF:

- **You have an ongoing or seasonal capacity shortfall**
- **You need help with a labour intensive process/activity**
- **You want to introduce new, or expand existing, operations**
- **Your business activities are hampered by lack of space**

We have supported large multi-nationals, SMEs and many locally-based businesses and welcome an opportunity to consult with you about your needs.

Rehab Enterprises

Investing in People, Changing Perspectives

Rehab Enterprises is the commercial division of the Rehab Group and is the world's first company to provide truly integrated social employment opportunities for people with disabilities.

With over 16 locations throughout Ireland, as well as in the United Kingdom, The Netherlands and Poland, Rehab Enterprises operates in highly competitive markets - from recycling to manufacturing and distribution.

The company operates an innovative employment policy which supports people with disabilities in an integrated work environment. Supports include adapted working environments and procedures, as well as services to enable people with disabilities achieve their potential. Rehab Enterprises accesses a subsidy available from the FÁS-administered Wage Subsidy Scheme.
